About Us

Mar Baselios College of Engineering and Technology (MBCET) is a premier Engineering College located in Mar Ivanios Vidyanagar, Nalanchira, Thiruvananthapuram. The College was established by the Major Archdiocese of Trivandrum of the Syro Malankara Catholic Church in the year 2002 and was conferred with the “Autonomous” status by the University Grants Commission (UGC) in the year 2020.

MBCET is committed to excellence in technical education, research, innovation and professional development. The institution strives to nurture adequately competent, ethical and socially responsible engineers equipped to address emerging technological and societal challenges. Through strong academic foundations, industry engagement, research initiatives and a vibrant innovation ecosystem, MBCET continues to prepare students for the opportunities and challenges of a rapidly evolving world.

About SAMANVAYA 1.0

SAMANVAYA 1.0 - Industry-Academia Conclave 2026 is a flagship programme of MBCET, organised as part of its Silver Jubilee celebrations. The Conclave seeks to bring together industry leaders, academic experts, researchers, entrepreneurs, alumni and technology professionals on a common platform to explore emerging trends, exchange perspectives and build meaningful collaborations.

With the theme “Bridging Academia, Industry and Innovation for a Future-Ready Workforce”, the conclave aims to strengthen the connection between academic learning and industry expectations, encouraging collaborative research, innovation, entrepreneurship and industry-integrated education.

Bridging Academia, Industry and Innovation

DAY 1 | 15 December 2026
