

# OUR MAJOR RECRUITERS IN ACADEMIC YEAR 2018-19

- ▶ Amazon
- ▶ IBM
- ▶ Infosys
- ▶ WIPRO
- ▶ IBS
- ▶ UST Global
- ▶ Byju's App
- ▶ FourNxt Technologies
- ▶ The Federal Bank Limited
- ▶ Travancore Analytics
- ▶ Speridian Technologies
- ▶ QBurst
- ▶ Vinvish Technologies
- ▶ Attinad Software
- ▶ EVOBI Automations
- ▶ Triassic Solutions Pvt. Ltd.
- ▶ Mu Sigma
- ▶ Inapp
- ▶ H&R
- ▶ Teach for India
- ▶ Experion

Champions of First KTU Sports Meet

Crossroads – Techno - Cultural Fest of MBCET

## BEFORE YOU CHOOSE YOUR INSTITUTION TO PURSUE A B.TECH. PROGRAMME

### VERIFY...

- ▶ Is the institution NAAC Accredited?
- ▶ Is the B.Tech. Programme NBA Accredited?
- ▶ Support for Innovation and Entrepreneurship Activities
- ▶ How Good is the Campus Placement?
- ▶ Eligibility to offer B.Tech. (Honours)
- ▶ Pass percentage in University Examinations
- ▶ How good is the Teaching – Learning Environment ?
- ▶ Professional Societies and Activities
- ▶ Association with Industries / Foreign Universities
- ▶ Provisions for Soft Skill Training
- ▶ Facilities and Support for Sports and Arts
- ▶ Infrastructural Facilities
- ▶ Reachability, Transport & Hostel Facility

## MAR BASELIOS

COLLEGE OF ENGINEERING AND TECHNOLOGY

Administered by the Malankara Catholic Educational Society of the Major Archdiocese of Trivandrum

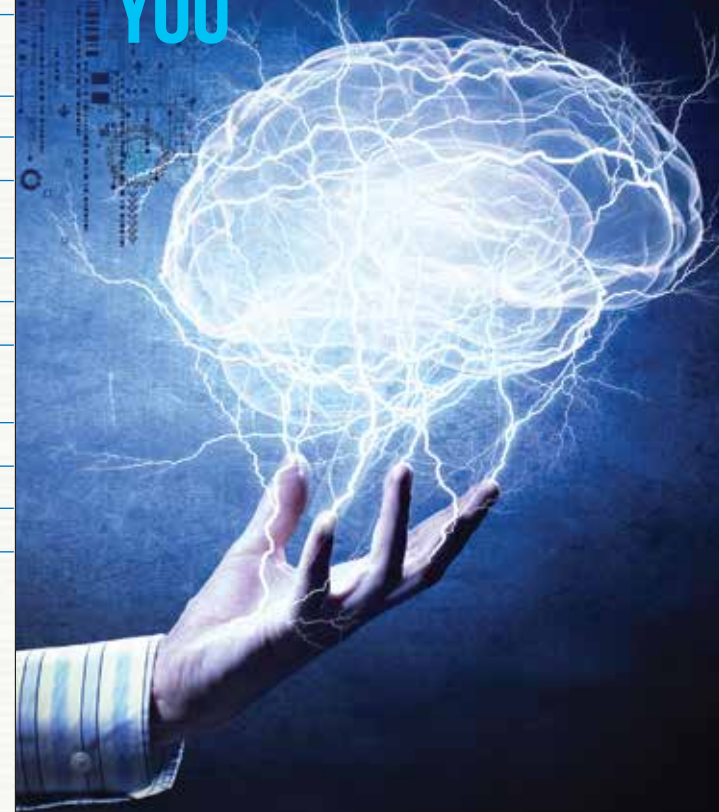

Mar Ivanios Vidyannagar, Nalanchira P.O, Thiruvananthapuram, Kerala, India, Pin: 695015 Call us @ 0471-2545866, 68, 72  
E-mail id: mbcet@mbcet.org

INSTITUTION CODE  
**MBT**

ALL PROGRAMMES PROVISIONALLY ACCREDITED BY NBA SINCE JULY 2016  
THE INSTITUTION HAS BEEN ACCREDITED BY NAAC WITH 'A' GRADE (CGPA: 3.13)

# DOES TECHNOLOGY & INNOVATION EXCITE YOU

## CIVIL ENGINEERING

The programme aims to provide technical expertise to produce Civil Engineering designs to address the problems and challenges of tomorrow.

## COMPUTER SCIENCE & ENGINEERING

Produce high quality technology based professionals, with substantial knowledge of a broad class of problem-solving techniques such as algorithms, heuristics, and design techniques.

## ELECTRONICS & COMMUNICATION ENGINEERING

The programme gives the students both the theoretical and practical background in all frontier areas of Electronics and Communication to become high quality professionals

## ELECTRICAL & ELECTRONICS ENGINEERING

Electrical & Electronics Engineering is an exciting and dynamic field which deals with the generation, transfer and conversion of electrical power with the aid of electronic circuits and computer systems.

## MECHANICAL ENGINEERING

Mechanical Engineering is one of the oldest and broadest discipline imparting a solid theoretical foundation and practical insight across a vast spectrum of technologies

## SCIENCE & HUMANITIES

Aims to provide a strong foundation in the fundamental sciences and humanities, the basic tools of analysis as well as the knowledge of the principles on which Engineering is based.
