DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
# DEPARTMENT ACTIVITIES FEBRUARY 2020

The Reboot Kerala Hackathon

The Reboot Kerala Hackathon was conducted during the months of February and March, 2020 at various centers across Kerala. It is an initiative of Department of Higher Education – Government of Kerala and the Additional Skill Acquisition Program (ASAP) which aims to provide students of Higher Education Institutions a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem-solving. Reboot Kerala Hackathon 2020 aims to bring students to the mainstream governance by receiving their solutions for the issues faced by various Government departments. In the first phase, from our college 95 solutions are submitted out of which 10 are selected for final round and two in waiting list. Mr Robin Joseph, the Hackathon officer from MBCET coordinated our students.

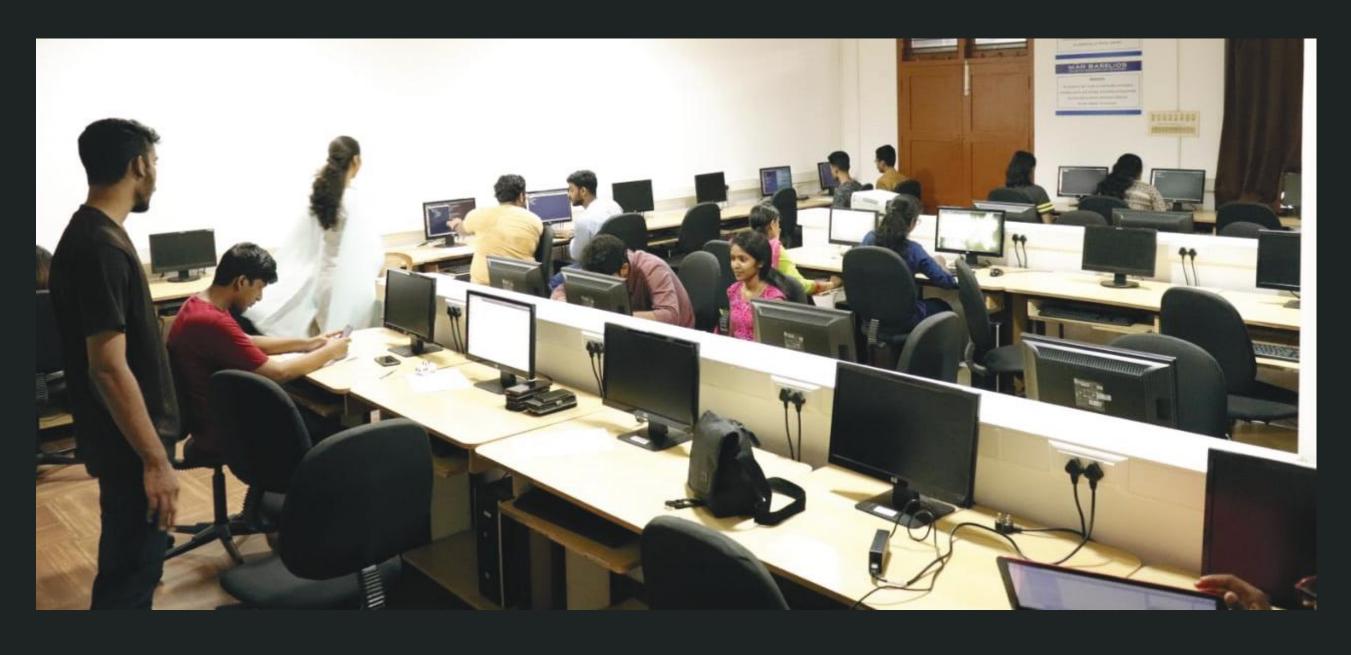

WebVR

WebVR workshop held on 15th February was mainly focused on using Mozilla A-Frame framework for bringing VR into our device. Students had a very interesting session on different opportunities awaiting them in Mozilla community and other open source platforms. Ms. Kiran Baby coordinated the workshop.
