

MBCET e-bulletin

MAR BASELIOS

COLLEGE OF ENGINEERING AND TECHNOLOGY

AUTONOMOUS

Accredited by NAAC with A Grade . All B-Tech programmes accredited by NBA

Principal's Desk

The College is proud to present the first issue of the e-Bulletin. This is the official publication of the College, covering announcements, newscast, alumni affairs, faculty accomplishments, awards, students' innovations, forthcoming Conferences, and so on. The purpose is to quickly send the information about the variety of activities happening on the Campus all throughout the week to the readers, so as to reach out all of our alumni, stakeholders and the well-wishers through the digital media rather than using the print media.

Alumni shall be provided with a column for inserting short news about their product portfolios, new launches, accolades, new ventures, capital additions, acquisitions, mergers, etc. There shall be contributions from eminent personalities and other tips for the fond reading.

First bulletin shall be covering the highlights of the AICTE mandated Student Induction Programme (SIP-2020) which was conducted for the newly admitted B.Tech students, from 16 to 27 November 2020. Hereafter, the e-Bulletin shall be released every Friday to keep our students, parents, faculty, staff, mentors and stakeholders informed about the latest events happening on the Campus during the previous week. Feedback from all our well-wishers are always welcome. Please send suggestions to ebulletin@mbcet.ac.in

-Dr. Abraham T Mathew

PARODOS 2020

His Beatitude Moran Mor Baselios Cardinal Cleemis Catholicos inaugurated Parodos, marking the initiation of a new generation of B.Tech and M.Tech students. The meeting was held in the online mode, which started with an inter-religious prayer.
