REPORT

(Sep '20 – June '21)

- The official logo of Automata, MBCET was launched on 15th September,2020 via Google meet with more than 30 students attending. The meeting was inaugurated by Dr Rajesh T N, HOD of mechanical department. Logo was released by Dr Nidhi, staff coordinator of Automata.
- As part of Engineer's Day on September 15th, an online quiz competition "E-QUIZ' was conducted. 46 students participated in the quiz. The winners were announced later and certificates were given.

• To bring out the innovation and creativity among students during the pandemic, an online Designing Competition was conducted. The event was held in two phases. Phase one was open for students from 14th-17th October. Students were asked to choose between two topics and submit the mechanical design and mechanism either hand drawn or using CAD software. Top six entries from the first round were taken for second phase. On 20th October, phase two participants were asked to conduct an online presentation of the designs they submitted for phase one. The design and presentations were evaluated by the faculty of mechanical department. Rojin Chacko was declared as the winner. He was awarded cash prize of Rs 5000.

On 20th November, 2020 an Introductory Session was conducted for the first-year batch. The session was carried out by two of our college alumni – Mr. Rajaram Ramanathan (Senior Digital Marketing manager, SM2 Mobiles/ Smartphones at Flipkart) and Mr. Shawn Sam Mathews (Systems Engineer, The Boeing Company). More than 100 students attended the session along with the faculty.

 Automata collaborated with ISTE MBCET to hold "An Interactive Session on Opportunities in Germany". Mr. Babu Alex, Head of Travel Hails, was the speaker of the event. The session was held on 9th April, 2021 with 70 participants attending.
