

**Department of Electronics & Communication**  
**Mar Baselios College of Engineering & Technology**

**Time Table of Third Semester B.Tech (EC - I) (October 2022 to February 2023)**

**Start date: 17/10/2022**

|                  | 9.15 – 10.15<br>(1)           | 10.15 – 11.15<br>(2) |              | 11.35-12.35<br>(3)            |              | 1.35 – 2.30<br>(4)            | 2.30 – 3.25<br>(5) | 3.35-4.30<br>(6) |
|------------------|-------------------------------|----------------------|--------------|-------------------------------|--------------|-------------------------------|--------------------|------------------|
| <b>*MONDAY</b>   | <b>NT</b>                     | <b>SSD</b>           | <b>BREAK</b> | <b>MAT</b>                    | <b>BREAK</b> | <b>LCD</b>                    | <b>NT</b>          | <b>PE</b>        |
| <b>TUESDAY</b>   | <b>SDP</b>                    | <b>SDP</b>           |              | <b>NT</b>                     |              | <b>LCD (T)</b>                | <b>PE</b>          | <b>MAT (T)</b>   |
| <b>WEDNESDAY</b> | <b>LCD</b>                    | <b>SSD</b>           |              | <b>LCD</b>                    |              | <b>NT(T)</b>                  | <b>SE</b>          | <b>MAT</b>       |
| <b>THURSDAY</b>  | <b>LD LAB (A)/ SC LAB (B)</b> |                      |              | <b>LD LAB (A)/ SC LAB (B)</b> |              | <b>SSD (T)</b>                | <b>MIN</b>         | <b>MIN</b>       |
| <b>*FRIDAY</b>   | <b>SSD</b>                    | <b>MAT</b>           |              | <b>SE</b>                     |              | <b>LD LAB (B)/ SC LAB (A)</b> |                    |                  |

|             |                  |                |
|-------------|------------------|----------------|
| Minor (MIN) | Wednesday-Friday | 8.15 - 9.10 AM |
|-------------|------------------|----------------|

| Subject Code | Subject  | Faculty  |
|--------------|--|--|
| MA0U20A      | Partial Differential Equation and Complex Analysis | Ms.Syama S Mohan   |
| EC1U20A      | Solid State Devices                                | MS. ANN MARY ALEX  |
| EC1U20B      | Logic Circuit Design                               | Mr. NIYAS K. HANEEFA                                       |
| EC1U20C      | Network Theory                                     | Dr. LANI RACHEL MATHEW                                     |
| HS0U20A      | Professional Ethics                                | MS. SALGA ANN JACOB  |
| NC0U20A      | Sustainable Engineering                            | Dr. SREEDEVI P.  |
|              | Remedial/Minor                                     |  |
| MA0M20A      | Advanced Linear Algebra                            | MS.JISHA J J & MS.UMA M                                    |
| CS0M20A      | Object Oriented Programming                        | MS.GAYATHRI K S  |
| CS0M20B      | Python for Machine Learning                        | MS. SREEJA S R   |
| CS0M20C      | Data Communication                                 | MS.LINO ZACHARIAH  |
|              | SDP  | Mr. SHIRAS S. N./Ms. LAKSHMY S.                            |
| EC1U28A      | Scientific Computing Lab                           | Dr. LANI RACHEL MATHEW/Ms.MERIN PHILIP/Ms.ANU SUSAN PHILIP |
| EC1U28B      | Logic Design Lab                                   | Mr. NIYAS K. HANEEFA/Ms.AMRITHA.B.J/MS. SALGA ANN JACOB    |

|                 |                           |
|-----------------|---------------------------|
| <b>ADVISORS</b> | <b>Ms. SHIRAS S N (C)</b> |
|                 | Ms. SALGA ANN JACOB       |
|                 | Ms.MERIN PHILIP           |

\*FRIDAY  
 Period 4      2.00pm - 2.50pm  
 Period 5      2.50pm -3.40pm  
 Period 6      3.40pm-4.30pm

**Dr. JAYAKUMARI J.**  
**Head of Department**  
**Dept. of EC**
