Date : **19th January 2023**

Session 02 : **Introduction to DSA**

Date : **14th April 2023**

Session 03 : **Overview on Git**

Date : **6th May 2023**

COMMUNITY PROJECT

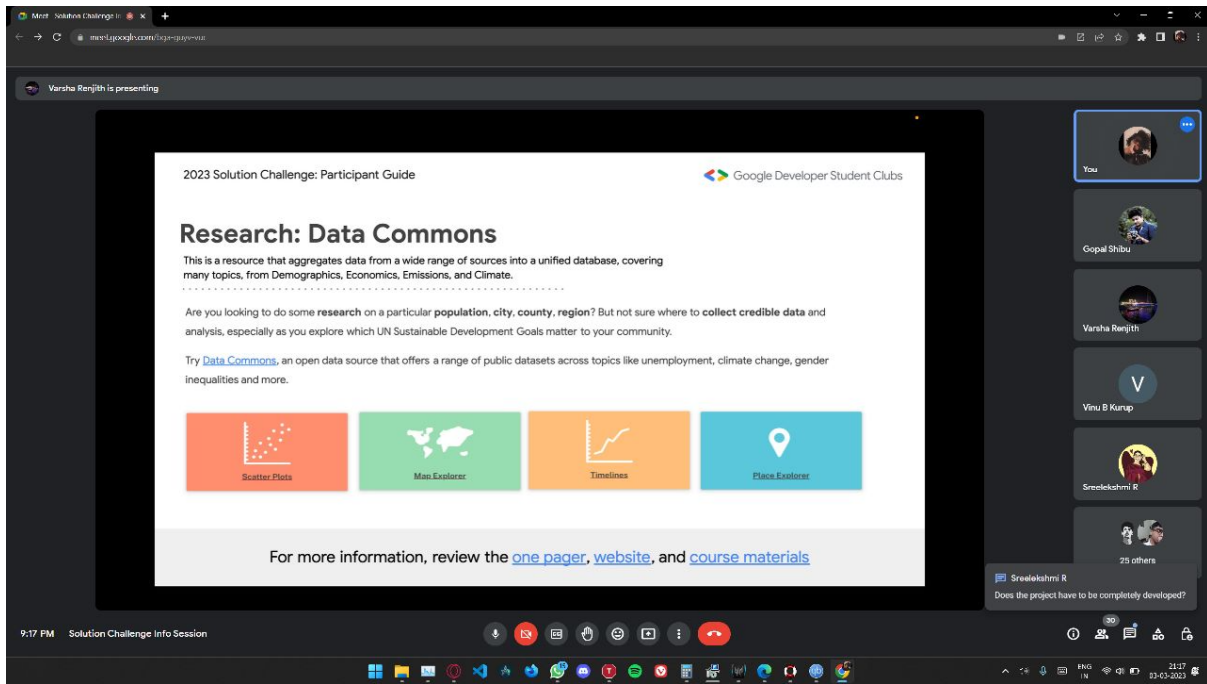

The Community Project was a chance for budding web developers all around MBCET to come together to make something amazing. The callout sought out individuals who had a base of Javascript, CSS and HTML to join the making of the community project. This was a great chance for aspiring web developers to join the helm of the community project and it garnered quite the attention of many. The project built by the team would be released by the end of this tenure.

Date : Started on **1st February 2023**

SOLUTION CHALLENGE

The Solution Challenge Info Session was hosted by Varsha Renjith, and it provided a detailed overview about the challenge. It is a global challenge where participants have to build a team based project based on one of the 17 sustainable goals set by the United nations. The event focused on sharing the resources and guidelines for the challenge, along with encouraging fellow participants to register for the same.

Date : **3rd March 2023**

AURA WEEKLY

Aura Weekly is a series where every new week, a new theme is chosen. It is filled with challenges, talks, games and mini hacks. Two Aura weeks based on design and tech have been successfully completed. It is a great opportunity for the students to try out different domains to discover their hidden skills.

GDSC WoW | Regional Level Startup Conclave

GDSC WoW (*Wonder of Wonders*) is an annual collaborative event of **500+ GDSCs** (*Google Developer Student Clubs*) from India, who have joined hands to bring together students, developers, and communities under the same roof. This year, **GDSC WOW 2023** is going full-fledged offline with 16 hotspots across India, and Kerala is a centre of attraction.

In Kerala WOW happens over 3 regions including **Calicut**, **Trivandrum**, and **Cochin**. In Trivandrum, a regional-level Startup Conclave consisting of various startup accelerator workshops and pitching sessions was hosted at Digital University Kerala.

Date : **28th & 29th April**

The poster features a colorful, abstract top section with eyes and geometric shapes. Below this is the Google Developer Student Clubs logo and the 'WOW' logo. A central black box contains the text 'STARTUP CONCLAVE' in large, bold letters, with a rocket icon next to 'STARTUP'. Below this, it says 'DIGITAL UNIVERSITY OF KERALA | 29TH & 30TH APRIL '23'. At the bottom, there is a 'Register Here!' button with the URL 'rebrand.ly/gdscwow' and the 'KERALA' logo with the tagline 'Wonder Of Wonders at God's Own Country'.
