MAR BASELIOS
COLLEGE OF ENGINEERING AND TECHNOLOGY
AUTONOMOUS

Accredited by NAAC with A Grade . Five B.Tech programmes first accredited by NBA since 2016

Principal's Message

New academic year has begun with the anxieties about admission processes for a new generation of degree aspirants. The College is also getting ready to admit the 22nd batch of students.

The admissions to the seven B.Tech programmes shall be done on a seat sharing basis with the Government of Kerala. 50 percent of the seats of the B.Tech programmes will get filled through the common allotment process of the KEAM, while the other half will be through the management's quota. Government orders in this regard are awaited. In the case of the seven M.Tech programmes, the College has started the admission this month. The tuition fees for all M.Tech programmes has been made at par with the fees of the Government Engineering Colleges, as part of our social commitment, so as to enable access to more and more number of students who aspire for a Masters' degree in Engineering, immediately after their B.Tech. Since the second year of the M.Tech is mainly for project work, students can join industries for the internship after the first year and subsequently they can take up project work as a continuation of the internship. Many Industries need resourceful postgraduate personnel for leading the developmental tasks/teams and they look for PG Engineers. So, we feel that an Engineering student can scale up the career prospects through a Masters' in Engineering with a specialization in the areas of their choice. Let more people utilize the opportunity.

Dr. Abraham T Mathew

Alumni Achievement

Ms. Anjali Bhavana (Alumna 2007 -2011) of the Department of Computer Science and Engineering secured 94th rank in the Indian Forest Service Examination-2022.

IEEE PES SB Award

IEEE Power and Energy Society Students Branch Chapter MBCET Region 10 has secured an amount of \$250 as the High performing Student Branch Award for the year 2022-23. The team was headed by **Ms. Sandhya P** and **Mr. Anil J**, Assistant Professors EED MBCET. The student leaders were **Anakha Ajit (S8 EE1)** and **Nikhil S. Kumar**

Vision: To be an Institution moulding globally competent Professionals as epitomes of Noble Values.

Mission: To transform the Youth as technically competent, ethically sound and socially committed Professionals, by providing a vibrant learning ambience, for the welfare of humanity.

Interactive Sessions by BIMLABS

MBCET entered into an MoU with M/s BIMLABS to help professionals with state of the art technology. An exclusive 100% placement assured skill training programme was introduced for selected students of Civil, Mechanical, and Electrical Engineering this year. The pre-placement sessions for the 2024 passout batch was initiated through an online session by CEO of M/s BIMLABS on 22 June . The resource persons were **Ms. Seena S. G.**, Head, Architecture and **Ms. Nisha Sudevan**, Manager, Academics from BIMLABS. This programme was coordinated by **Dr. S. Ushakumari**, Dean - Corporate

Relations and **Mr. Vipin Kumar K. C**, COO - Corporate Relations. Faculty representatives from the corresponding Departments **Dr. Nidhi M. B.**, (MED), **Ms. Jean Molly Simon**, (CED) and **Mr. Ashwin R. B.**, (EED) Assistant Professors supported the coordination.

Expert Lecture on Geotechnical Principles and Practical Applications

An expert lecture on ‘Geotechnical Principles and Practical Applications’ was conducted for S4 students in CE Dept. on 4 July 2023. Speaker for the session was **Dr. Jayamohan. J**, Principal, LBS Institute of Technology for Women, Thiruvananthapuram who is also a well known Geo-Tech expert. **Ms. Rintu Johnson**, **Ms. Indhu Luke** and **Ms. Diana Alice Sugunan** coordinated the event.

Alumni News

Mr. Nithin Jo Varghese, 2015-19 ME, joined for PhD at Princeton University, USA under Prof. Jyotirmoy Mandal for studying light and heat transfer/interaction at

multi scale to develop advanced optical metamaterials. The topic falls under the purview of both the Department of Civil and Environmental Engineering and the Department of Materials and Metallurgical Engineering.

Non-Disclosure Agreement with CDAC

The Department of CSE, MBCET has signed a non-disclosure agreement with CDAC on 21 June 2023 in respect of the data for research and studies. This is to enable sharing of the data sets as part of the collaborative project work on AI and Machine Learning between the MBCET and CDAC.

“The pessimist sees difficulty in every opportunity. The optimist sees opportunity in every difficulty.” ~ Winston Churchill

ADMISSIONS 2023

MAR BASELIOS
COLLEGE OF ENGINEERING AND TECHNOLOGY
(Autonomous College affiliated to APJ Abdul Kalam Technological University)

Code
MBT

NBA Accredited Programmes

B.Tech Civil Engineering	120 seats
B.Tech Computer Science and Engineering	120 seats
B.Tech Electronics and Communication Engineering	120 seats
B.Tech Electrical and Electronics Engineering	60 seats
B.Tech Mechanical Engineering	90 seats*

M.Tech Programmes

M.Tech Computer Science and Engineering	18 seats
M.Tech IoT and Sensor Systems	18 seats
M.Tech Machine Design	18 seats
M.Tech Power Control and Drives	09 seats*
M.Tech Structural Engineering	18 seats
M.Tech Telecommunication Engineering	18 seats
M.Tech Transportation Engineering	18 seats
Ph.D in all branches	

New B.Tech Programmes started in 2022

B.Tech Computer Science and Engineering (Artificial Intelligence)	60 seats
B.Tech Electrical and Computer Engineering	60 seats

*For 2023-2024 (AICTE)
