

March 22, 2023
World Water Day

As part of the World Water Day celebrations, the Water Management Cell and Nature Club (Prakruthi) of MBCET jointly organized a talk session based on the global campaign theme for this year "**Accelerating Change: Be the change you want to see in the world**". The session was handled by Dr. Subhash Chandra Bose, Former Director of CCDU, Water Resources Department, Govt. of Kerala. The session was attended by 70 students including the student representatives of Water Management Cell and Nature Club. Faculty Coordinators: Dr. Elizabeth C. Kuruvila and Dr. Jaya S. Pillai.
