

MBCET e-bulletin

MAR BASELIOS
COLLEGE OF ENGINEERING AND TECHNOLOGY
AUTONOMOUS

Accredited by NAAC with A Grade . Five B.Tech programmes accredited by NBA since 2016

Principal's Message

Our country has crossed another milestone, by making the Chandrayan 3 mission successful. Wednesday 23 August 2023 will be marked

in the history of India's Space Research and Space Exploration. This success is one of the many examples of the team work of many people and the support from many organizations, and academic institutions. The project of Chandrayan 3 might have made a number of technologies perfect beyond doubt and it gives confidence to the Scientists and Engineers to take up more challenges. The Government is opening up the domain Space science and research for enabling the private sectors. Academic institutions can then not only provide the manpower to the Space studies and research but also undertake research and development so as to become part of the national mission. Let us hope that such opportunities will be available soon. Our College is part of the Space mission through the testing services we provide through SATEL. Hence any success of ISRO gives us joy and pride. We place on record our sincere appreciation for the entire ISRO team in their recent stupendous achievement through the Mission Chandrayan 3.

Dr. Abraham T Mathew

HAPPY ONAM TO MBCET FAMILY

Young Innovators Programme 4.0 State Level Winners

Nikita Anna Ajith (S4 CS1), **Ann Santhosh** (S4 EC2), **Maushmi Rajesh** (S4 CS2) and **Abhilash George** (S4 CS2) have won the State Level competition of Young Innovators Programme 4.0.

IET

The Former Secretary of IET MBCET On Campus and Mechanical Engineering Graduate **Ms. Arghya P S** has achieved a remarkable feat by earning a spot on the shortlist for the IET India Scholarship. Out of 43,137 students who applied, Arghya's accomplishments have placed her within the top 30 in the South region and the top 150, nationwide. (This year, the awards are open to undergraduate Engineering students from 1st to 4th year, enrolled in any AICTE approved Engineering programme).

Vision: To be an Institution moulding globally competent Professionals as epitomes of Noble Values.

Mission: To transform the Youth as technically competent, ethically sound and socially committed Professionals, by providing a vibrant learning ambience, for the welfare of humanity.

Faculty News

Dr. Nidhi M. B., Asso. Prof. MED attended EMPOWER Pre Conference, organised by NISH, for innovative solutions in assistive technology, during 11-12 August 2023.

One Day Training Programmes by CED

a) Environmental Engineering Laboratory

The Dept. of CE conducted a one-day Training Programme on Management of Environmental Engineering Laboratory, on 21 August 2023 for the Technical Staff of the Department. The programme was organized by Dr. Jaya S Pillai and Ms. Nimisha Anna Jacob, Asst. Professors of the Department.

b) The Management of Concrete Laboratory

The Dept. of CE conducted a one-day Training Programme on Management of Concrete Laboratory for the Technical Staff of the Department, on 16 August 2023. The programme was organized by Dr. Minu Ann Peter, Asst. Prof., Dept. of CE.

20 students of the CE Department attended a 5 days training programme organized by the Corporate Office of Konkan Railway, at the Konkan Railway Academy, Madgaon, Goa during 7 to 11 August 2023. The training included sessions about Construction of Railway Formation & track components, Railway Tunnels - Construction aspects, Career counseling for employment in railways and other Govt organizations, Discussion about various Construction Projects undertaken by KRCL, Site visits etc. The sessions were handled by Senior Engineers and trainers of KRA and various external experts. Dr. S. Jayasree, Prof. CE Dept. accompanied the students. This was a special session conducted by KRCL for MBCET.

Upcoming Event

SEP 2023

SHORT TERM TRAINING PROGRAM

6 DAYS EXTENSIVE TRAINING

5th SEP to 10th SEP 2023

Venue: Faraday Hall, MBCET

Mr. Himanshu Kumar
Director | Indwell Automation

Hands on training on INDUSTRIAL AUTOMATION
Hybrid Mode

Co-Mentors
Dr. Sheryl Arulini A, Mr. Anil J
87549 77404 | 9895109050

Registration fee: Students/ Research Scholars Rs. 500/- | Faculty Rs.750/- | Industrialists Rs. 1000/-

Access recorded sessions on private YouTube links exclusively for registered participants, viewable using the registered email id.

Organized by
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING
MAR BASELIOS COLLEGE OF ENGINEERING AND TECHNOLOGY
Mar Ivanios Vidyannagar, Thiruvananthapuram, Kerala - 695015

Certificates will be provided to registered participants upon completion of course.

Staff Club Onam Celebrations 2023

Launching of Environ - the Campus Utility Vehicle Guests of Honour: Adv. Antony Raju, Honb'le Minister for Transport, Kerala. H.B. Moran Mor Baselios Cardinal Cleemis Catholicos, Patron
