

# MBCET e-bulletin

**MAR BASELIOS**  
COLLEGE OF ENGINEERING AND TECHNOLOGY  
— AUTONOMOUS —

Accredited by NAAC with A Grade . Five B.Tech programmes accredited by NBA since 2016

## Principal's Message

Campus placement or campus recruitment plays a critical role in the life of an engineering student who is keen to secure a paid job immediately after graduation. Primarily students get for facing the interview, without any tedium of travel or any dislocation in the studies. Sometimes the competition can also be limited if the process is hosted on the campus. Students may not realize the value of it while they are on campus. In the case of off-campus selections, the students will have to compete with a very large pool of candidates, compared to what is seen in the on-campus selection process. MBCET has always been striving to put the students on a proper pedestal to make them secure a job before they leave the campus. It cannot be simply achieved by the College because the industries are looking for specific skill sets. Students have to be sincere in their efforts to learn and skill up and also should be cooperative in organizing the placement processes. Students should practice well in terms of IT skills, interpersonal skills, design skills, problem solving abilities and analytical skills along with their subject knowledge, keeping the dream job in perspective. Then only they can secure the best option.

Best wishes for all the students who are getting ready for the current year's placement.

**Dr. Abraham T Mathew**

## Ph.D. Guide

**Dr. Priya Mariam Raju**  
Asst. Prof., CSED got approval for Ph.D. guidance from the APJ Abdul Kalam Technological University (KTU), Thiruvananthapuram recently.

## Expert Talk

**Dr. Veena Nair**, Asst. Prof. (S & H) was the Guest Speaker for a session on 'Importance of Technical English and Communication Skills for Engineers' in the IEEE-EBSCO Knowledge Feast held at Taj Vivanta on September 14, 2023.

## Alumni Achievement

**Mr. Samuel Punnoose John** (CSE Alumni 2013-2017) joined Apple Inc. as System Design Engineer at San Diego, California.

## Alumni Talk

**Mr. Rinse Sambrukutty**, currently working as Assistant System Engineer in TCS (CSE Alumni of 2017-21) batch delivered a talk session for the First Year students of Computer Science and Engineering (Artificial intelligence) branch as a part of the Student Induction Programme 2023.

**Vision:** To be an Institution moulding globally competent Professionals as epitomes of Noble Values.

**Mission:** To transform the Youth as technically competent, ethically sound and socially committed Professionals, by providing a vibrant learning ambience, for the welfare of humanity.

## Talk Session

CESA (Civil Engineering Students Association) arranged an interactive talk session on 'Higher Studies and Various Career Options' in collaboration with T.I.M.E. The Session was handled by **Mr. Jayaraj**, Resource Person from T.I.M.E., to commemorate the Engineers' Day.

## Social Service

Illumina of EED in association with NSS distributed 85 food packets at Medical College on 15 September 2023. Students have contributed the food packets.

## Know Your Alumni

ASCE Student Chapter of MBCET conducted KNOW YOUR ALUMNI session on 20 September 2023 in Visvesvaraya hall. The speaker of the session was **Lieutenant Vishnupriya Nair** Alumna (2019-2023), of Civil Engineering Department. Students of S3 & S5 attended the session, which was inspiring and interactive.

## One-day Hands on training on a 3D modelling software SKETCH UP

MBCET ASCE Student Chapter organised a One-day Hands on training on a 3D modelling software SKETCH UP on 16 September 2023 by Intercad systems. 20 students from S3 and S5 and two technical staff, **Ms. Reji S.** and **Ms. Aswani A. J.** attended the training.

## Attending FDP

**Dr. Jaya S Pillai** and **Dr. Amal Raj**, Civil Engineering Department attended a 5- day online FDP on 'Incorporating Universal Human Values in Education' (UHV- 1) organised by AICTE from September 11 to 15, 2023

## IEEE National Symposium

**Mr. Aswin R B** attended a two-day IEEE National Symposium on 'Emerging Technologies in Green Energy' from 8 to 9 September 2023.

## The International Conclave on Skills, Engineering, and Technology

Mr. Anand Haridas, Assistant Professor, CSED, Adlu Rahman, Abhishek Raman, Diya Sundeeep, Gayathri K S, Nanadana T S, Melvin Joseph, Aravind J L, Nikitha Anna, R Sidharth, Abhishek S and Rilin George (Students from S5 CSE) attended The International Conclave on Skills, Engineering, and Technology, ICSET 2023, organized by the ICT Academy of Kerala on 19th September 2023, held at Adlux Convention Centre, Angamally. MBCET has been selected as a Premium Member of ICT Academy of Kerala for the Academic Year 2023 -24 also. The premium membership certificate was also received on the same occasion.

### Alumni Interaction

As part of the Student Induction Program (SIP), 2023 conducted for first year MED students, Alumni interactions were organised by the Mechanical Engineering Department on 18 September 2023 in offline and online modes. Ms. Salma Asraff, Lt Cdr Reuben S Jones (Retd) and Mr. Raja Ramnath took sessions for freshers.

### Webinar

The second session of the Webinar series in association with Energy Management Centre, Kerala was conducted on 18 September 2023 on the topic 'Renewable Energy and Energy Efficient Technologies' in GoogleMeet platform. The resource person for the session was Er. Anoop Surendran, Energy Technologist, EMC, Kerala. The third and fourth sessions were conducted on 20 and 22 September 2023, on the topic 'Energy Management and Energy Efficiency in Electrical Utilities'. The sessions were handled by Er. Abhijith M.R., CEO, Esyls, TrEST Park, Thiruvananthapuram. The sessions were coordinated by Ms. Vandana P. and Mr. Aswin R B, Assistant Professors, EED.

*"Know that your success is based entirely on your attitude, your commitment, and your self-discipline. You are the only person who can generate a new mindset."*
