ABOUT THE ORGANIZERS

Mar Baselios College of Engineering and Technology (MBCET), Thiruvananthapuram, Kerala was established in the year 2002 by the Major Archdiocese of Trivandrum with the noble objective of providing quality technical and skill education based on fundamental human values. MBCET offers 7 Undergraduate programmes and 7 Postgraduate programmes in Engineering. The institution is an approved research centre of APJ Abdul Kalam Kerala Technological University. Five B.Tech programmes (CE, CSE, ECE, EEE and ME) are accredited by NBA since 2016. The institution is also accredited by the NAAC with A grade (CGPA 3.13) since 2016. The institution was conferred with the "Autonomous" status by the University Grant Commission (UGC) in the year 2020.

ABOUT THE CONFERENCE

The International Conference on E-Mobility, Power Control and Smart Systems (ICEMPS) is a premier conference being organized as a follow up of the preceding mega events of IEEE ICAGE 2014, IEEE PEDES 2016 and IEEE SPICES 2022, hosted by MBCET. Thiruvananthapuram being the capital of Kerala and home to many organizations like VSSC, CTCRI, IIST, LPSC, IISU and so on, MBCET envisages ICEMPS as a platform for research scholars, students and professionals to meet the leading experts in the field of Circuits, Systems Control, Electric Vehicles, Power and Energy Systems. With a rich mix of programmes of keynote lectures, plenary sessions, tutorials, technical sessions and so on, ICEMPS 2024 will surely be a unique and exciting experience. The state of Kerala is known for its beauty and greenery, hence there will be enough for sightseeing as well. The conference will be conducted in Hybrid mode.

CALL FOR PAPERS

Papers are invited from prospective authors on the topics which are listed track wise. Papers submitted to the conference should be based on original, previously unpublished work, experimental or theoretical, and must not be under consideration for publication elsewhere.

MANUSCRIPT SUBMISSION GUIDELINES

Authors are invited to electronically submit their unpublished original research contributions in IEEE format for the conference. The maximum number of pages, including references, allowed is six. No author biography is required. All submissions will be thoroughly single-blind reviewed by experts based on originality, significance, and clarity.

Authors may download the template from the conference website. Paper submission and review are managed by CMT. To submit your manuscript, login through the CMT website. The web links for the paper template and CMT login are available in the conference website <https://www.icemps2024.com>.

REGISTRATION

At least one of the authors of each accepted paper must register for the conference for the paper to be included in the conference proceedings and published through IEEE Xplore. Registration fee covers conference proceedings, conference kit, coffee breaks, working lunch and banquet dinner. Full registration includes the registration of one paper. Additional papers for a single registration come with an additional fee. Only those papers presented at the conference will be submitted to IEEE Xplore for publication.
