

DIRECTOR'S MESSAGE

MBCET, in its pursuit of excellence is entering a new phase of transition. Since 2020 for the past four years, the college has been safe in the hands of its helmsman **Dr. Abraham T. Mathew**, who as the Principal has endeavoured to achieve development in academic activities and Institution–Industry collaboration. The campus community acknowledges his yeoman services and joins me to express its gratitude to him, as he has completed his tenure successfully. He is now succeeded by **Dr. S. Viswanatha Rao** who has assumed charge as the new Principal w.e.f. June 2024.

Dr. S. Viswanatha Rao has been serving this Institution for the past sixteen years in various capacities as Professor, Head of the Department of Electronics and Communication Engineering, Dean-Academics, and Vice-Principal.
