2. Poster-making competition

The **Civil Engineering Department**, in collaboration with the **Water Management Cell** and the **Environmental and Water Resources Engineering Research Group**, is organized a poster-making competition in celebration of **World Water Day**.

Date: 22.03.2024 (World Water Day)

Time: 12:45 PM

Venue: Drawing Hall, CE Department, MBCET

Theme: "Water for Peace"

Coordinated by: **Mr. Rithin Alvito Anil:** 9778366743 & **Dr. Alice Thomas:** 9930443475

The event has provided an excellent platform for students to showcase their creativity and contributed to the cause of water conservation. The focus on "Water for Peace" aligns with global efforts to emphasize the role of water in fostering harmony and sustainability.
