

Waste Management Cell Activities 2023-24

1. Expo on: Trash to Art

The poster is green-themed with illustrations of leaves and butterflies. It features logos for 'Waste Management Cell' (MBCET), 'MAR BASELIOS COLLEGE OF ENGINEERING AND TECHNOLOGY AUTONOMOUS', and 'NATURE CLUB'. The main text reads 'Waste Management Cell & Nature Club PRESENTS EXPO on "TRASH TO ART"'. Below this, it specifies the date 'December 18, 2023', venue 'Venue: Ground floor, G Block', and time 'Time: 10:00 am - 4:00 pm'. A quote at the bottom states 'Creativity is making Marvellous out of the Discarded'. Contact information for faculty and student coordinators is provided at the bottom.

As part of the awareness drive and initiative for a Clean and Green Campus, the Nature Club and Waste Management Cell of MBCET has organised an exhibition for first year students on the theme “Trash to Art” on 18 December 2023 from 10:00 am to 4:00 pm at G Block (Ground Floor). Certificates were awarded for best entries. Students of all branches have prepared projects and the best 10 entries from each class was exhibited. The exhibition was judged by a panel consisting of Dr. Neethu Roy, Dean Research, Dr. Remil George, HoD/MED and Dr. Tessy Mathew.

2. As an initiative towards proper waste management the Environmental Cell of MBCET along with Waste Management Cell conducted a talk on " Awareness on Solid Waste Management" on 20 December 2023 for the house keeping staff and faculty and students of sustainability cell. The speaker of the session was Mr. Pratheesh M V, Project Coordinator, Green Worms Pvt Ltd. P. He gave deep insights on solid waste segregation, converting plastic waste to useful plastic, earning from waste and agencies for waste collection. The talk was coordinated by Dr. Nidhi M B, Coordinator Environmental Cell and Dr. Soumya A V, Coordinator, Waste Management Cell.
