PRINCIPAL'S MESSAGE

Intellectual Property (IP) is protected by law through mechanisms like patents, copyrights, trademarks and industrial designs, enabling creators to gain recognition or financial benefits from their work. India is witnessing a significant increase in the number of patents filed by Indian companies and startups, particularly in technology domains. Governments at national as well as state level are implementing policies to encourage innovation and protect IP, creating a more favourable environment for IP creation. World Intellectual Property Day, initiated by the World Intellectual Property Organisation (WIPO) and celebrated every year on 24 April, offers a unique opportunity to join with others around the world to consider how intellectual property enables the technological innovation that drives human progress. Intellectual property is a powerful tool for growth and sustainable development. From the perspective of Professional Education, Creating IP has become critical for faculty, students and scholars by involving in cutting edge research and innovative project work. They should be aware of protecting the IP and make the most out of it and contribute to the fast progressing and continuously advancing technology landscape.

MOU SIGNED BETWEEN MBCET AND ASAP KERALA

An MOU was signed by MBCET with the Additional Skill Acquisition Programme Kerala, a State Public Sector Undertaking owned by Government of Kerala under Higher Education Department on 23 April 2025. Smt. **Preethy Leonold**, Head Procurement, ASAP Kerala, and **Dr. S. Viswanatha Rao**, Principal, MBCET signed the MoU. **Sijeesh P. I.**, Associate Director Training Division and **Ms. Janaki Venukumar**, Product Head Training Division, ASAP Kerala were also present in the function. This partnership strengthens industry collaboration while providing access to industry-relevant skill training.

NSS CAMP

The National Service Scheme (NSS) Units 230 and 706 of MBCET organized a one-day NSS camp on April 4, 2025, which concluded on Saturday, April 5, 2025. The event commenced with an inauguration ceremony, presided over by Dr. M. J. Jayashree, the Dean of Academics (UG), who officially inaugurated the camp. As part of the ceremony, She honored the former Programme Officers with commemorative mementos in recognition of their dedicated service and contributions to the NSS. An informative NSS Orientation Session was then led by **Mr. Sujith**, who introduced the volunteers to the mission, vision, and activities of NSS, inspiring them to engage meaningfully in community service.
