CHRISTMAS CELEBRATIONS 2024

Date: 18 December 2024, Wednesday

Event Organized by: MBCET Staff Club

Venue: Amenity

As part of the Christmas celebrations organized by the Staff Club, the faculty members of Ragam, the MBCET Music Club, presented two beautifully rendered carol songs. Composed by Prof. Joseph Cherian from the Department of Science and Humanities, the original compositions brought a unique charm and freshness to the performance. The heartfelt rendition by the faculty added to the festive spirit of the occasion, creating a warm and joyful atmosphere that was thoroughly enjoyed by all.

KTU CONFERENCE, ETIS 2025

Dates: **7-9 February 2025**

Event Organized by: KTU

Venue: Amenity

The students of Ragam, the MBCET Music Club, delivered a captivating performance during the Cultural Night of the International Conference on Emerging Technologies for Intelligent Systems (ETIS 2025), held from 7th to 9th February 2025 at the MBCET campus. Their vibrant and well-curated musical presentation added a delightful cultural dimension to the prestigious academic event. The occasion provided the students with an excellent platform to showcase their artistic talents to a diverse audience that included distinguished delegates, researchers, and academicians from across India and abroad. Their performance was met with enthusiastic appreciation and served as a memorable highlight of the conference's social events.

JAMMING SESSION

Date: **21st February 2025**, Friday

Event Organized by: Ragam Music Club in collaboration with Illumina

Venue: Open Air Theatre (OAT)

On 21st February 2025, Ragam Music Club, in collaboration with Illumina, hosted an engaging and lively jamming session as a part of TRYDAN, the tech fest of EED, MBCET. The event took place at the Open Air Theatre (OAT), where students from various departments came together to showcase their musical talents and enjoy an informal, interactive musical experience.

The jamming session saw an enthusiastic turnout, with students from different academic departments actively participating in the event. They joined the session, sang along to various songs, and contributed to creating an exciting and lively atmosphere.

Students not only joined in singing but also showcased their musical talents, making the session even more dynamic. The diversity of musical genres played and the array of skills demonstrated added a special touch to the event.

The session was held at the OAT, which provided an open and relaxed setting for the participants to engage with the music, sing, and enjoy. The outdoor venue added to the vibrancy of the event, enhancing the overall experience for everyone involved.

The collaboration between the Ragam Music Club and Illumina, the Association of Department of Electrical and Electronics Engineering, helped to bring together like-minded individuals, fostering a sense of community and teamwork among the students. The event was filled with energy, with students immersing themselves in the spirit of music and sharing in the joy of the performance. This session allowed students to bond over their shared love for music and contributed significantly to the overall success of the Trydan.

COLLEGE BAND SELECTION

Date: 28th February 2025, Friday

Venue: Amenity Hall

Ragam Music Club hosted an exciting and highly anticipated event for the selection of the official college band on 28-02-2025. Students from various departments of the college came together to showcase their incredible talents in an effort to secure a spot in the official college band. The event served as an opportunity for musicians, vocalists, and instrumentalists to demonstrate their skills and passion for music.

The selection event saw participation from a diverse group of students, each eager to be part of the college's prestigious music club. The participants showcased their talent in multiple categories. Several talented singers took the stage, performing various genres, including classical, contemporary, and indie styles. Some other students demonstrated their proficiency in a wide array of instruments, such as Violin, Guitar, and Keyboard. The students were evaluated based on their performance quality, creativity, stage presence, and technical skills.

A panel of experienced judges, consisting of faculty members carried out the screening process. The criteria for selection included Musical Ability, Stage Presence and Creativity.

At the end of the event, the official college band members were selected based on their impressive performances and musical excellence. The selected participants will now be part of the Ragam Music Club's official college band, which will represent the college in various events, competitions, and performances throughout the academic year.
