About NetACT25

NetACT25 is the International Conference on Networks and Advances in Computational Technologies, providing a platform for researchers, industry professionals, and academics to share insights and advancements in the fields of Networking and Advanced Computing.

Vision and Mission of Institute

Vision
To be an Institution moulding globally competent Professionals as epitomes of Noble Values.

Mission
To transform the Youth as technically competent, ethically sound and socially committed professionals, by providing a vibrant learning ambience, for the welfare of humanity.

Vision and Mission of the Department

Vision
To be a Centre of Excellence in Computer Science and Engineering providing quality education and research for the betterment of the society.

Mission
To impart sound knowledge in theoretical and applied foundations of Computer Science and Engineering, and to train the students to solve real life issues to effectively define and shape life.

Tracks

Track 1: Computer Networks and Security
Track 2: Artificial Intelligence
Track 3: Theoretical Computer Science
Track 4: Hardware and Systems
Track 5: Computer Vision
Track 6: Enabling Technologies

Important dates

Call for papers open - 15 November 2024
Full paper Submission - 30 March 2025
Notification of Acceptance - 16 June 2025
Camera Ready Submission - 30 June 2025
