

IET MBCET ON CAMPUS

ANNUAL REPORT 2024-25

Summary

Sl. No	Event Name	Dates
1	PATLN COLLEGE HEATS AT MBCET	5 October 2024
2	PATLN FINALS	10 October 2024
3	YP AWARDS	10 October 2024
4	DIABEAT IT – Poster Making Competition	14 November 2024
5	ANNUAL GENERAL MEETING	13 December 2024
6	What If? – Rewrite the Marvel Multiverse	9 January 2025
7	Sustainathon 2025	21, 22 Feb 2025
8	Innovista 2025	30 April 2025

PATLN COLLEGE HEATS AT MBCET

On October 5, 2024, Mar Baselios College of Engineering and Technology (MBCET), Trivandrum, hosted the PATLN College Heats, a dynamic platform for technical presentations. The participants delivered insightful presentations on advanced technical topics, showcasing their knowledge and creativity.

The event was judged by a distinguished panel comprising Mr. Bobin Saji George (Dept. of Mechanical Engineering), Mrs. Veena Nair (Dept. of Science and Humanities), and Mr. Vaibhav K (Alumni, MBCET). Anand Pillai of S5 CS2 emerged as the winner, while Ann Santhosh of S7 EC2 secured the runner-up position. The IET MBCET chapter volunteers played a key role in ensuring the smooth execution of the event.

PATLN FINALS

We are pleased to announce that Anand Pillai (S5 CS2) represented Mar Baselios College of Engineering and Technology in the IET Present Around The Local Network (PATLN) Finals on October 10, 2024, at Uday Suites, Shangumukham. Anand demonstrated exceptional presentation skills and technical expertise securing the runner-up position in this esteemed competition, which featured students from various colleges under the KKLN Local Network.

YP AWARDS

The IET Kanyakumari Local Network YP Award Ceremony took place on October 10, 2024, at Uday Suites, celebrating the remarkable achievements of our students from Mar Baselios College of Engineering and Technology (MBCET). We are proud to announce that our college secured the following prestigious awards:

1. IET KKLN Young Professional Best Outgoing Student Award 2024 - Ms. Sanna Pramod (Alumni)
2. IET KKLN Young Professional Outstanding Student Volunteer Award 2024 - Ms. Samyuktha Syam (Alumni)
3. IET KKLN Young Professional Outstanding Student Volunteer Award 2024 - Mr. Anand R. (S7 EE1)
4. IET KKLN Young Professional Outstanding Student Volunteer Award 2024 - Mr. Sarang GS (S7 EE1)

ANNUAL GENERAL MEETING

The Institution of Engineering and Technology (IET) successfully hosted its 10th Annual General Meeting (AGM) on the 13th of December, 2024, at the serene and picturesque Soma Palmshore in Kovalam.

The event witnessed the participation of esteemed dignitaries, committee members, and other invitees who gathered to reflect on the organization's accomplishments and outline its future endeavours. The event was graced by the presence of several prominent members, including Dr. Maresaline Beno, Dr. Lenin Fred, Dr. Soumya A.V, Eng. Jeoffer jaish.

The AGM also had volunteers, including Mr. Sarang G S, Ms. S. Blessy Catherine, Mr. Nevin Thomas Thomas, Mr. Abhijith Anand, Mr. Anand R, Mr V S Sabarinath and Nasreen Nazeer, who played crucial roles in organizing and facilitating the event.

AWARD CEREMONY '24

The Institution of Engineering and Technology (IET) successfully hosted its 10 th Annual General Meeting (AGM) with an award ceremony on the 13 th of December, 2024, at Soma Palmshore in Kovalam.

The event was graced by the presence of several prominent members, including Dr. Maresaline Beno, Dr. Lenin Fred, Dr. Soumya A.V, Eng. Jeoffer Jaish.

The outstanding Leadership award was given to Dr. Soumya A.V, Faculty Coordinator of IET MBCET. She was also elected as the secretary of IET Kanyakumari local network.

DIABEAT IT – Poster Making Competition

Organized by: IET MBCET

Sponsored by: Jothydev's Diabetes and Research Centre

Event Theme: Dream Against Diabetes

Date: 12 November 2024

Venue: Online Submission / Display at Mar Baselios College of Engineering and Technology

The IET MBCET chapter, in collaboration with **Jothydev's Diabetes and Research Centre**, organized a thought-provoking **Poster Making Competition** titled “**DIABEAT IT**” to observe World Diabetes Day 2024. The competition aimed to raise awareness about diabetes, promote healthy lifestyle habits, and provide a creative platform for students to express impactful health-related messages through visual art.

The event was open to students from all disciplines. Participants were required to create posters based on the theme “*Dream Against Diabetes.*” Submissions reflected a variety of perspectives — from preventive care and lifestyle changes to emotional strength and community awareness.

The competition received an enthusiastic response, with entries evaluated based on creativity, clarity of message, visual impact, and relevance to the theme. The winners were announced on 12 November 2024 through the official event poster and social media handles. The selected posters stood out for their compelling visuals and strong advocacy messages.

Participants also received **e-certificates**, and winners were acknowledged through institutional platforms. The IET MBCET chapter expresses its sincere gratitude to **Jothydev's Diabetes and Research Centre** for sponsoring the event and supporting the mission of community health awareness. We also thank all student participants, faculty coordinators, and volunteers who contributed to the success of *DIABEAT IT*.

What If? – Rewrite the Marvel Multiverse

Organized by: IET MBCET

Event Type: Online Creative Writing Competition

Theme: Recreating or creating new stories within the Marvel Multiverse

Date of Deadline: January 9, 2025

Target Audience: Open to students from all colleges

The IET MBCET chapter organized an engaging and imaginative online writing competition titled “**What If? – Rewrite the Marvel Multiverse**”, aimed at encouraging creative storytelling among students. Participants were invited to reimagine storylines or invent original narratives set within the vast and varied Marvel Multiverse. The competition attracted entries from passionate writers who showcased their originality, narrative skill, and love for the Marvel universe.

Entries were accepted in both typed and handwritten formats with no word limit. Submissions were judged based on creativity, originality, and alignment with the theme. The event was open to students from all colleges, making it a truly inclusive and diverse contest.

After careful evaluation by the judging panel, the winners were announced:

First Prize (₹1000): *Athul V.S. (S8 EE, MBCET)*

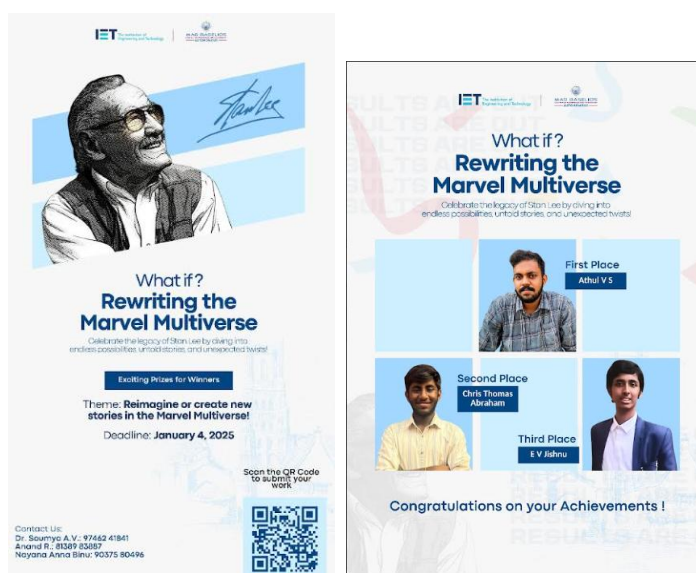

Second Prize (₹500): *Chris Thomas Abraham (S4 CS2, MBCET)*

Third Prize (₹350): *E.V. Jishnu (S4 CS2, MBCET)*

All participants received **e-certificates** in appreciation of their creative efforts.

The event successfully ignited the creative spark among students, giving them a platform to express their narrative talents through the lens of Marvel's multiverse. It also fostered a spirit of literary exploration and fandom-based storytelling within the academic community. The enthusiasm shown by the participants reaffirmed the relevance and appeal of blending pop culture with literary creativity.

The IET MBCET chapter extends heartfelt thanks to all participants, volunteers, and judges who contributed to the success of the event. Special appreciation goes to the coordinators and organizing team for their dedication and smooth execution of the competition.

Sustainathon 2025

Sustainathon 2025, an ideation challenge based on the United Nations' Sustainable Development Goals (SDGs), was hosted at Mar Baselios College of Engineering and Technology. The event was conducted by three student clubs – Aksharakootam Club, IET, and Tensorz Club – with the aim of encouraging students to identify real-world problems and devise sustainable solutions.

Event Overview

- Organized by: Aksharakootam Club, IET, Tensorz Club
- Theme: Sustainable Development Goals (SDGs)
- Duration: 2 Days (February 21 - 22, 2025)
- Total Participants: 30 students on Day 1; 18 teams on Day 2
- Registration Fee: ₹250 per head
- Prize Pool: ₹10,000

Day 1: Talk Session

The first day, held on February 21st from 12:30 PM to 5:00 PM, featured an engaging session led by Ms. Dainu R Kuruvilla, organized by the Aksharakootam Club. She delivered a talk focused on critical thinking and how to effectively present ideas in a story-like format. This session laid the groundwork for the participants to think innovatively and communicate persuasively.

Day 2: Ideathon Competition

The main event took place on February 22nd, from 9:00 AM to 5:00 PM, where 18 teams presented their sustainable solutions. Each team addressed a specific problem aligned with the SDGs and proposed a creative solution. The competition was judged by a panel of esteemed evaluators:

Ms. Sana Pramod

Mr. Aswin A M

Mr. Faizan Ahammed

Winners

First Prize-

- Team Name: NAUSHERA
- Members: Yash Chahotre, Anand Pillai

Second Prize (Tie):

- Team Name: NETZERO
- Members: Juwel Jokesh, R D Sourav, Joseph Benedict
- Team Name: TRINITY VANGUARDS
- Members: Haridath Nihal Hemanth, Aaron S Varughese, Arvind Vinod

Third Prize:

- Team Name: SMART BOYZ
- Members: Manuraj M S, Hanok Samuel Boban

Special Mention:

- Team Name: TRI CORE
- Members: Keerthana Sara Kiran, Pavithra K M, Hanna Sibicha

Sustainathon 2025 successfully combined learning, collaboration, and innovation. The event empowered students to ideate sustainable solutions while enhancing their critical thinking and presentation skills. It concluded on a high note, leaving participants inspired and eager to contribute to global development challenges.

Innovista 2025: A Celebration of Innovation and Ingenuity at MBCET

Thiruvananthapuram, April 30, 2025

IET Kanyakumari Local Network in collaboration with IET MBCET, successfully hosted Innovista 2025, an intercollegiate innovation expo that showcased creative and socially impactful projects by students across Kerala and Tamil Nadu.

The event was inaugurated at 2:00 PM, with an enthusiastic turnout of participants and guests. The distinguished panel of judges included **Dr. Abhilash Nelson, M.E., Ph.D., and Mr. Suresh Babu, Senior Consultant at Hykon India**. Their expertise and insightful feedback elevated the competition, encouraging students to pursue research-driven innovation.

A total of 15 teams participated in the expo, displaying a wide array of solutions in fields such as AI, sustainability, automation, and public health. The projects reflected both technical excellence and real-world relevance and were a testament to the innovative spirit of the participants.

The winners of Innovista 2025 are as follows:

First Prize: **S Karishma Ram & Sreenithi** (Arunachala College of Engineering for Women, TN)

Second Prize: **Karthik S, Jaish J S, Arafan Muhammad & Karthik K** (MBCET)

Third Prize: **Vedha Mahadevan & Chris Thomas Abraham** (MBCET).

The event concluded by 5:30 PM, following the prize distribution ceremony. Participants were awarded certificates, and the top three teams were honoured for their exceptional efforts.

Innovista2025 reaffirmed IET's vision of nurturing future-ready innovators and entrepreneurs.
