## PRINCIPAL'S MESSAGE

The word Exodos was formed combining the prefix 'ex' – meaning 'out of' and 'hodos' meaning 'road' or 'way'. It refers to the departure en masse of a large group of people. The name Exodos means the Exit Song, marking the end of a Greek Play. Shakespeare also says "All the World is a Stage". Thus it is significant since we train our students to act well in the Drama of Life. Exodos 2025, the Course Completion Ceremony of the 20<sup>th</sup> Batch of B.Tech students was celebrated on 8<sup>th</sup> July 2025. This also marked the passing out of the second batch of B.Tech students as an Autonomous Institution. The day also marked the course completion of the 12<sup>th</sup> batch of M.Tech students since the M.Tech Programmes started in 2012 and the 4<sup>th</sup> batch under autonomy. It was an occasion to commemorate the contributions made by the faculty and the uncompromising support and sacrifices made by the parents over the years in moulding them to be professionals committed to the society. As our ambassadors, our Graduands leave their alma mater with a duty to uphold its repute.

We proudly bid farewell to the outgoing students, wishing each and every one of them a prosperous life and a highly successful career.

**Dr. S. Viswanatha Rao**
