PRINCIPAL'S MESSAGE

On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, which came into effect on 26 January 1950. We celebrate Constitution

Day or 'Samvidhan Divas' on 26 November every year to commemorate this historic event, to honour Dr. B.R. Ambedkar, and promote constitutional values among citizens. The Preamble declares India a sovereign, socialist, secular, and democratic republic, securing justice, liberty, and equality for all. The Constitution establishes India's legal framework, government structure, and fundamental rights. As the longest written constitution in the world, the Indian Constitution originally contained 395 Articles and 8 Schedules, totalling around 1,45,000 words. It is a living document, adapting to changing times through interpretation and amendments, serving the people's aspirations.

The officially adopted theme for the celebrations this year is 'Hamara Samvidhan – Hamara Swabhiman' meaning 'Our Constitution – Our Pride', reflecting the nation-wide campaign for constitutional dignity, unity and citizen participation. Let's honour our Constitution and its values, and strive for a stronger, more just India!

"The Constitution is not a mere lawyer's document, it is a vehicle of life, and its spirit is always the spirit of age."

- Dr B. R. Ambedkar.
