

CALL FOR  
PAPERS

# ComNet 2026

2026 International Conference on

Communication Systems and Networks

16th - 18th September 2026 | Thiruvananthapuram, Kerala, India

Organised by **Mar Baselios College of Engineering and Technology (Autonomous)** in association with  
**Universiti Teknologi Malaysia**

&

Technically co-sponsored by **IEEE Kerala Section**

## The Event

ComNet 2026 is a premium international conference that brings together researchers, engineers, industry professionals, and policymakers to present and discuss the most recent innovations, trends, challenges, and solutions in the evolving fields of communication systems and networking technologies.

The theme is "Communication Systems and Networks for a Sustainable Tomorrow" which focuses on exploring and advancing communication technologies that are efficient, resilient and environmentally sustainable, addressing current and future societal challenges while promoting digital inclusivity.

## Conference Tracks

Prospective authors are invited to submit full length original research papers which are not submitted, published, or under consideration elsewhere. Tracks include, but are not limited to, the following:

### Communication Systems

- Mobile and Wireless Communication
- Satellite and Space Communication
- Coding and Information Theory
- Optical Communication
- Radio Communications
- Software Defined Radios
- Cognitive Radio
- Telecommunications
- Microwave Devices Design & Techniques
- Field Theory
- Antenna Design and Applications
- RF Systems
- Microwave, Millimeter Wave and Terahertz Wave Communications
- Metamaterials and Applications
- High Frequency Devices
- Underwater Communications

### Signal Processing

- Image, Audio, Speech and Video Processing
- Computer Vision Systems and Applications
- Biomedical Signal and Image Processing
- Mathematical Computation and Optimization Techniques
- Machine Learning and Pattern Recognition
- AI and Deep Learning

### Networks

- Data Communications and Networks
- Optical Networks
- Body Area Networks
- Wireless Sensor Networks
- Mobile Ad Hoc Networks
- Network Security
- Software Defined Networking (SDN)
- Delay-Tolerant and Opportunistic Networks

## Publications

The proceedings of ComNet 2026 will be forwarded for inclusion in IEEE Xplore Digital Library.

IEEE Xplore®  
Digital Library

## Important Dates

Paper Submission: **15th May 2026**

Notification of Acceptance: **25th July 2026**

Final Paper Submission with Registration: **25th August 2026**

Conference Dates: **16th - 18th September 2026**

## Submission Guidelines

Only online submission is allowed. IEEE format should be strictly followed. For more details, refer the conference website. All papers should be submitted through Microsoft CMT using the link: <https://cmt3.research.microsoft.com/ComNet2026>

Submissions by email will NOT be accepted. For any clarification, authors can contact the publication desk via email: [comnet2026@mbcet.ac.in](mailto:comnet2026@mbcet.ac.in)
