

PRINCIPAL'S MESSAGE

The significance of our environment lies in its role as a life-support system, providing resources and sustaining life on Earth. World Environment Day is observed globally on June 5 every year. Led by the United Nations Environment Programme (UNEP) since 1973, it is the largest international platform for environmental outreach, mobilizing millions of people across more than 150 countries to protect the planet. The 2026 campaign theme is "Inspired by Nature. For Climate. For Our Future". This theme focuses on the urgent, compounding realities of the climate crisis with a call to move beyond distant warnings and into immediate execution. Protecting and restoring forests, wetlands, and oceans acts as a natural buffer against extreme weather and absorbs massive amounts of carbon. The planet is responding to the neglect with rising sea levels, record-breaking heatwaves, and wildfires. With the Sustainable Development Goals in mind (SDG), let us all collectively respond to the critical challenges including climate change, biodiversity loss, and ecosystem degradation through our commitments in scaling up renewable energy, shifting to zero-emission infrastructure, and stopping single-use plastics.

Dr. S. Viswanatha Rao

SERVED AS REVIEWER

Dr. Anne Dickson, Assoc. Professor, Dept. of CSE, served as reviewer in the Third International Conference of IEEE Kerala section on "Trends in Engineering Systems and Technologies" (ICTEST 2026) organized by Govt. Model Engineering College, Thrikkakara, Kochi, Kerala during 16-18 July 2026.

NPTEL WORKSHOP ATTENDED

Dr. Archana P. Das participated in a NPTEL+ online workshop on "Interpretation of Multiplicity Patterns and the Analysis of NMR Spectra of ¹H, ¹³C and Selected Heteronuclei." The workshop on the fundamentals of multiplicity patterns and NMR spectral analysis was conducted by Prof. N. Suryaprakash, former Chairman and Professor at the NMR Research Centre, Indian Institute of Science, Bangalore, on 02 and 03 May 2026.

ALTAIR PSIM SOFTWARE DEMO SESSION

A discussion and demonstration session on "Altair-PSIM Software and its modules for Power Electronics Simulation" was conducted online on 28 May 2026 for the faculty members of the Department of Electrical and Electronics Engineering by Trident Techlabs Limited. The session was led by representatives from the software provider, who presented the features, capabilities, and applications of PSIM in power electronics analysis and simulation. The session was coordinated by **Ms. Arya Vijayan** and **Mr. Midhun G.**, Asst. Professors, EED

ENVIRONMENT DAY CELEBRATED

The World Environment Day was celebrated at the college under the auspices of Pracruthi - the Nature Club, NSS Units, ISTE and the Environment Cell in association with the Susrutha Charitable Medical Trust on 5 June 2026. 100 saplings of medicinal plants were distributed to the students and staff. A pledge for sustainable living was administered. **Fr. John Varghese**, Director, **Dr. S. Viswanatha Rao**, Principal and **Mrs. Lekshmi I.**, Co-ordinator, Pracruthi spoke on the occasion.

Vision: To be an Institution moulding globally competent Professionals as epitomes of Noble Values.

Mission: To transform the Youth as technically competent, ethically sound and socially committed professionals, by providing a vibrant learning ambience, for the welfare of humanity.

LEADERSHIP CHANGE

Dr. Nidhi M. B., Professor, assumed charge as Head of the Department of Mechanical Engineering on June 1, 2026. On this occasion, the outgoing HoD, **Dr. Remil George Thomas**, congratulated her on taking up the new responsibility and expressed his gratitude to all teaching and technical staff for their wholehearted support and cooperation.

FACULTY DEVELOPMENT PROGRAMME

Ms. C. Sojy Rajan, Ms. Revathy K. P. and Ms. Neetha Chandran, Asst. Professors, EED successfully completed six-day Faculty Development Programme on “Emerging Threats and AI in Cyber Security” organized by the Department of Electrical and Electronics Engineering and Computer Science and Engineering, LBS College of Engineering Kasaragod, sponsored by ARCITE School of Data Science from 18 to 23 May 2026.

SCHOOL KIT DISTRIBUTED

The MBCET Staff Club, in association with Spandanam, the Social Service wing of the ECE Department, distributed school reopening kits to the children of our colleagues on 29 May 2026 at Olympia. **Fr. Dr. Koshy Issac Punnamoottil**, Bursar, distributed the kits to the beneficiaries. The event was attended by Spandanam Coordinator **Dr. Ancy S. Anselam** along with representatives of the Staff Club.

FDP ATTENDED

Dr. Luxy Mathews, Associate Professor and HoD (ECE), along with **Mr. Niyas K. Haneefa**, **Ms. Salga Ann Jacob**, and **Ms. Maya M. Warriar**, Assistant Professors of the Department of ECE, attended a six-day online Faculty Development Programme (FDP) on “Sustainability in Electronics” organized by LBS College of Engineering, Kasargod from 4th- 9th May 2026.

FDP ORGANIZED

The Department of Civil Engineering, in association with the Environmental and Water Resources Engineering Research Group, organized a six-day

Faculty Development Programme (FDP) on “Empowering Civil Engineering with GIS and Spatial Intelligence” from 18 to 23 May 2026. The programme focused on emerging geospatial technologies such as Geographic Information Systems (GIS), Remote Sensing, QGIS, and Spatial Intelligence, highlighting their applications in modern Civil Engineering. Expert sessions were delivered by eminent professionals and academicians from KIIFB, KSREC, and Government Engineering College, Barton Hill. The programme was successfully coordinated by Ms. Diana Alice Sugunan, and Ms. Sangeetha Sajeew Assistant Professors, Department of Civil Engineering.

UHV-MBCET FDP

UHV Cell of Mar Baselios College of Engineering and Technology (Autonomous), a Nodal centre for UHV, Thiruvananthapuram, organized a Three Days Face-to-Face AICTE Approved Faculty Development Program (FDP) on Universal Human Values - Introductory (UHV I) from 20 to 22 May 2026. Resource Persons for the FDP was Dr N. SunilKumar and AICTE Observer was Mr G. Jayaprakash.

WORKSHOP ATTENDED

Dr Alice Thomas, Department of Civil Engineering, attended a One Day Joint National Workshop on Advancements in Climate-Resilient Watershed Management: Hydrological Impacts and Hydraulic Solutions. held on 30

May 2026 at IIT Bombay. The workshop was organized in collaboration with MANIT Bhopal, along with IIT Kharagpur, IIT Bhubaneswar, and EQUINOCT, Cochin.

STUDENT ACHIEVEMENT

Ms Aswathy M.R, PhD student of Civil Engineering Department guided by Dr Alice Thomas, was selected as NPTEL superstar for being topper in three exams.

ENVIRONMENT DAY CELEBRATION : PHOTOGALLERY

WORLD ENVIRONMENT DAY
JUNE 5TH 2026
Inspired by Nature. For Climate. For Our Future.

ONE EARTH ONE FUTURE LET'S NURTURE NATURE

- Distribution & Planting of Medicinal Herbs
- Pledge for Finite Living
- Together for a Greener Tomorrow

Let's act today for a sustainable tomorrow. Every Action Counts!

BE A PART OF THE CHANGE. | BEAT PLASTIC POLLUTION.

ADMISSIONS 2026

MAR BASELIOS COLLEGE OF ENGINEERING AND TECHNOLOGY AUTONOMOUS

Code
MBT

NAAC Accreditation with A Grade | NBA Tier 1 Accreditation for 5 B.Tech Programmes
Affiliated to APJ Abdul Kalam Technological University & approved by the All India Council for Technical Education
Mar Ivanios Vidyyanagar | Nalanchira P.O | Thiruvananthapuram - 695 015 | Kerala
Phone: 0471 - 2545868 | Website : www.mbcet.ac.in

B.Tech Programmes

B.Tech Civil Engineering.	120 seats
B.Tech Computer Science and Engineering.	120 seats
B.Tech Computer Science and Engineering (Artificial Intelligence).	60 seats
B.Tech Electronics and Communication Engineering.	120 seats
B.Tech Electrical and Electronics Engineering.	60 seats
B.Tech Electrical and Computer Engineering.	60 seats
B.Tech Mechanical Engineering.	90 seats

M.Tech Programmes

M.Tech Computer Science and Engineering.	18 seats
M.Tech IoT and Sensor Systems.	18 seats
M.Tech Machine Design.	18 seats
M.Tech Structural Engineering.	18 seats
M.Tech Transportation Engineering.	18 seats
M.Tech Environmental Science and Engineering.	18 seats

New M.Tech Programme started in 2026

M.Tech Artificial Intelligence and Data Science. (18 Seats)

Ph.D in all branches.
