## PRINCIPAL'S MESSAGE

Acquiring new skills is crucial for both personal and professional development. It enhances employability, opens up diverse career paths, and enables adaptation to evolving industries. Furthermore, skill development fosters personal growth, confidence, and the ability to maximize one's potential. Skill acquisition for students involves the process of gaining proficiency in various abilities, encompassing both the learning of new skills and the application of those skills in practical situations. This process is crucial for academic success and career readiness. World Youth Skills Day is celebrated annually on 15<sup>th</sup> July every year. It was established by the United Nations General Assembly to recognize the strategic importance of equipping young people with skills for employment, decent work, and entrepreneurship. This year marked the 11th anniversary of the day's declaration, with the theme "Skills for a Shared Future", emphasizing on a balanced set of competencies, blending AI and digital literacy, green transition skills, and deeply human qualities like empathy, resilience, and critical problem-solving. MBCET has incorporated a number of programmes creating opportunities for the students to acquire skills that enable them to analyze information, solve complex problems, and make informed decisions and apply their knowledge in real-world situations. It is essential that every student equips with the competencies and skills our changing world requires, so as to build a successful career and a better tomorrow for all. As technology evolves, it creates more opportunities for Engineering professionals in every field, and it is important for them to identify and address the challenges faced, through innovation and creativity.

**Dr. S. Viswanatha Rao**

## NETBALL CHAMPIONSHIP

**Diya Vijayan V. D.** (M.Tech) secured Second Position in the Traditional Category and Third Position in the Mixed Category at the Senior Netball Championship, representing Team Targaryens Netball Academy. The championship was held at GHS Karippoor on 12 July 2026.

## 73<sup>rd</sup> COMMEMORATION DAY 15 JULY 2026

**Venerable Archbishop Mar Ivanios  
Founder, Mar Ivanios Vidyanagar**

## PARTICIPATED IN GLOBAL STUDENT SUSTAINABILITY PROGRAM 2026, SINGAPORE

**Aditya Dileep S7 CT** participated in the Global Student Sustainability Program 2026 in Singapore, held from 29 June to 05 July 2026. Convened at Ngee Ann City, the programme provided insights into environmental stewardship and the implementation of sustainable policies across key industries. He also participated in the Ideathon organized by WSP Consultancy, where he developed and presented a technology-driven framework to optimize Singapore's urban waste management system.

**Vision:** To be an Institution moulding globally competent Professionals as epitomes of Noble Values.

**Mission:** To transform the Youth as technically competent, ethically sound and socially committed professionals, by providing a vibrant learning ambience, for the welfare of humanity.

### B.Tech Programmes

|                                                                    |           |
|--------------------------------------------------------------------|-----------|
| B.Tech Civil Engineering.                                          | 120 seats |
| B.Tech Computer Science and Engineering.                           | 120 seats |
| B.Tech Computer Science and Engineering (Artificial Intelligence). | 60 seats  |
| B.Tech Electronics and Communication Engineering.                  | 120 seats |
| B.Tech Electrical and Electronics Engineering.                     | 60 seats  |
| B.Tech Electrical and Computer Engineering.                        | 60 seats  |
| B.Tech Mechanical Engineering.                                     | 90 seats  |

### M.Tech Programmes

|                                               |          |
|-----------------------------------------------|----------|
| M.Tech Computer Science and Engineering.      | 18 seats |
| M.Tech IoT and Sensor Systems.                | 18 seats |
| M.Tech Machine Design.                        | 18 seats |
| M.Tech Structural Engineering.                | 18 seats |
| M.Tech Transportation Engineering.            | 18 seats |
| M.Tech Environmental Science and Engineering. | 18 seats |

### New M.Tech Programme started in 2026

M.Tech Artificial Intelligence and Data Science. (18 Seats)

### Ph.D in all branches.
