

MEGA THIRUVATHIRA 2025

A Mega Thiruvathira performance was organized at Mar Baselios College of Engineering and Technology, Nalanchira, as part of the Onam 2025 celebrations conducted at the Open Air Theatre (OAT) on 05 September 2025.

The programme was coordinated by the Performing Arts Club with the active participation of around 60 members, including both students and teachers. The performance reflected the rich cultural heritage and traditional spirit of Kerala associated with the festival of Onam.

Participants performed gracefully in traditional attire, creating a vibrant and festive atmosphere at the venue. The synchronization, coordination, and enthusiasm of the performers made the Mega Thiruvathira one of the major attractions of the celebration.

The event received great appreciation from the audience for its elegance, unity, and cultural significance. The participation of both students and faculty members together highlighted the spirit of togetherness and harmony within the college community.

Onam 2025 Celebration :Dance Performance during Onam 2025 celebration

A dance performance was organized by the Performing Arts Club of Mar Baselios College of Engineering and Technology, Nalanchira, as part of the Onam 2025 celebrations held at the Open Air Theatre (OAT) on 27 August 2025.

The programme witnessed enthusiastic participation from the students of the college. The dance performances added vibrant colour and festive spirit to the Onam celebrations. Various group dance performances showcasing Kerala's traditional culture and contemporary themes were presented by the students.

The event was conducted successfully under the coordination of the Performing Arts Club members and faculty coordinators. Students performed with great energy, creativity, and teamwork, making the programme entertaining and memorable for the audience.

The performances received wide appreciation from students, faculty members, and guests present at the venue. The programme contributed significantly to promoting cultural values, artistic talents, and unity among students during the festive celebration.

ANTI-DRUG Abuse Awareness Program

On September 19, the Open Air Theatre hosted a powerful performance focused on drug abuse awareness. A joint initiative by the Performing Arts Club and the Anti-Narcotics Cell, the event was held to observe National Drug Abuse Resistance Education (D.A.R.E.) Day. Through a compelling mix of dance and drama, the performers conveyed a strong message about the importance of resisting substance abuse and making positive life choices. The program was well-attended by students and faculty, successfully sparking important conversations and reinforcing our campus's commitment to a healthy, drug-free environment.
